

The Take Me Fishing™ Embeddable Places to Fish & Boat Map, powered by [Fishbrain](#), has features that help consumers get out for a successful day on the water. The map shows what fish species fellow anglers are catching in certain bodies of water, and what bait was used. Users can scroll through photos of catches made near them, and filter by species to see what fellow anglers are catching in real time. Other points of interest (POI) available include locations for: gear & equipment, bait shops, license vendors, boat ramps, marinas, charters, fly fishing shops and fish refuges/hatcheries.

## FEATURES

Check out the great features of the Places to Fish & Boat Map: <https://youtu.be/bLJ0htyu8Bc>

## EMBED CODE

With this embeddable version, you can easily feature this robust tool on your own websites for your site visitors to enjoy as well. Copy/paste the following embed code into your website:

```
<iframe frameborder="0" src="https://takemefishing.org/share/" target="_blank" scrolling="no"
bgcolor="#C9D3DE" allow="geolocation" style="position: relative; width: 100%; height: 800px; overflow:
hidden;"></iframe>
```

The height and width of the tool can be changes if desired by adjusting the highlighted values above. Please note that the map tool is responsive, so the map size will conform to the size of the user's device automatically (desktop, tablet, mobile).

We encourage our partners to keep this feature [[allow="geolocation"](#)] in place to ensure the best user experience.

## SUGGESTED SOCIAL MEDIA PROMOTIONAL MATERIALS

Let your customers know you have this resource on your website. Included in the link [are some sample social media promotional materials](#) for your company to use to promote the tool on your website. This toolkit includes suggested copy and photos.
